

Benny Bank is your banking information like account numbers and financial info. Be discreet, don't let Phil know!

---

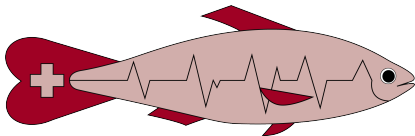

Corporate Casey is all of your work and business information. We don't want Phil to know about your business plans

---

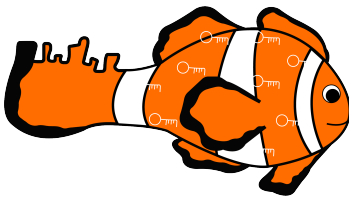

Login Lenny is your password and username on your login screen. Don't share that with Phil or anyone else!

---

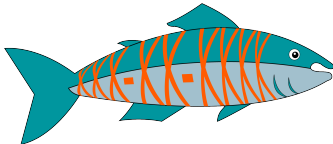

Healthcare Heather has all of your medical data. Phil should not have access to that.

---

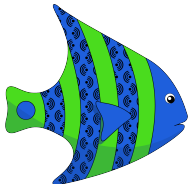

Credential Claire has all of your identification documentation. Make sure Phil doesn't get ahold of those!

---

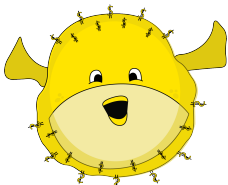

Sammy Social is your Social Security Number, don't let Phil see it!

---

Network Noah has your internet, software and computer servers. Watch out for Phil!

---

Payment Perry is all of your card numbers and payment apps. Be careful so Phil doesn't see those.

---

Personal Patty is all of your personal details like your name, address, and birthday. Phil shouldn't know that information.
